Tutorials - March 27, 2017 | Symposium - March 28-30, 2017

Women in Inertial Sensors Breakfast

We invite you!

As the *International Symposium on Inertial Sensors and Systems* grows, it is important to build the community of women in inertial sensors. We invite you to a networking breakfast to meet and build relationships with your colleagues.

DETAILS

Who

All women working in inertial sensing are invited, as well as the friends and family who support them.

What

Breakfast will be held while we network with colleagues in the industry. We plan for discussion groups on specified topics as well.

Where

Breakfast will be held in conjunction with the IEEE Inertial 2017 Symposium, to be held March 29, at the Aqua Kauai Resort in Kauai, Hawaii, at 7:00 AM in the Jasmine Ballroom.

Wednesday, March 29 | 7:00 AM

When

The Breakfast will be held Wednesday, March 29, at 7:00 AM before the invited speaker of the day.

Why

Inertial Sensors 17 and the IEEE Sensors Council are hosting this breakfast to build a strong network and a welcoming space for women in inertial sensing.
